

CORPORATE GOVERNANCE STATEMENT 2019

West African Resources ('WAF') has in place corporate governance practices that are formally embodied in corporate governance policies and codes adopted by the Board ('the Policies'). The aim of the Policies are to ensure that the Company is effectively directed and managed, that risks are identified, monitored and assessed and that appropriate disclosures are made.

In preparing the Policies, the Directors considered the ASX Corporate Governance Council's "Corporate Governance Principles and Recommendations" ('ASX Principles') which Companies are required to report against commencing after 1 July 2014. To the extent that they are applicable, and given its circumstances, the Company adopts the Eight Essential Corporate Governance Principles and Best Practice Recommendations ('Recommendations') published by the Corporate Governance Council of the ASX.

Where the Company's corporate governance practices follow a recommendation, the Board has made appropriate statements reporting on the adoption of the recommendation. Where, after due consideration, the Company's corporate governance practices depart from a recommendation, the Board has offered full disclosure and reason for the adoption of its own practice, in compliance with the "if not, why not" regime.

The Board has adopted the following policies, statement, charters, policies and procedures:

- Board Charter
- Audit Committee Charter
- Remuneration Committee Charter
- Nomination Committee Charter
- Code of Conduct
- Trading in Company Securities
- Risk Management Policy
- Shareholder Communication Strategy
- Continuous Disclosure Policy

The Company's corporate governance policies are available on the Company's website at: www.westafricanresources.com.

As the Company's activities develop in size, nature and scope, the size of the Board and the implementation of additional corporate governance structures will be afforded further consideration.
