CORPORATE GOVERNANCE STATEMENT 2024

West African Resources Limited ('WAF' or 'Company') has a corporate governance framework in place that includes the corporate governance policies, charters, and codes formally adopted by its Board ('the Policies'). The aim of the Policies is to ensure that the Company is effectively and ethically directed and managed, that risks are identified, monitored and assessed and that appropriate disclosures are made.

In preparing the Policies, the Board considered the ASX Corporate Governance Council's "Corporate Governance Principles and Recommendations" 4th edition ('ASX Principles'). The Company's governance policies and practices during the reporting period for the year ended 31 December 2023 substantially followed these ASX Principles, however, where the Company departed from them due to its particular circumstances, this document discloses that fact along with the reasons for the departure.

Further details of the Company's governance arrangements, including Board and Board Committee Charters and key Policies, are available on the Company's website at: www.westafricanresources.com
