

1. INTRODUCTION

The Board of Directors of West African Resources Limited (**Company**) (**Board**) has established a Technical Committee to assist the Board with monitoring and reviewing technical matters relating to its businesses and in particular its existing and proposed mining operations and development projects (**Committee**). This is the charter for the Committee.

2. OBJECTIVE AND AUTHORITY

- (a) The objective of the Committee is to make recommendations to the Board and the Company's executive management on technical and operational matters, policies and programs of the Company and its subsidiaries (collectively, **Group**) and oversight of the performance of the Company in respect of the same.
- (b) The Committee is accountable to the Board and shall only act within the authority delegated to the Committee by the Board.
- (c) The Committee will not perform any management functions or assume any management responsibilities.

3. MEMBERSHIP

The Board will appoint the members of the Committee and the chair of the Committee (**Chair**), and may remove and replace members of the Committee and the Chair by resolution at its sole discretion. In doing so, the Board may consult with the Nomination Committee to enable the following Committee composition:

- (a) three (3) or more members, with the aim of having four (4) members;
- (b) two (2) or more members being non-executive directors of the Company;
- (c) each member having mining industry experience;
- (d) one or more members having relevant technical knowledge of mining; and
- (e) the Chair being an independent non-executive director of the Company.

4. MEETINGS

4.1 Frequency of meetings

- (a) The Chair will aim to convene at least two (2) meetings of the Committee each year and any additional meetings that the Chair considers necessary or appropriate to carry out the Committee's responsibilities.
- (b) Other supplemental meetings may be held from time to time as determined by the Committee.
- (c) The Chair may decide to hold a supplemental meeting upon request from:
 - (i) a member of the Committee;

- (ii) a member of the Company's executive management; or
- (iii) the Company's independent auditor.

4.2 Meeting notices, minutes and administration

- (a) A person will be nominated by the Board to act as the secretary of the Committee.
- (b) Meetings, meeting notices, meeting minutes and other administrative duties related to the Committee will be organised by the Committee's secretary, in accordance with any directions from the Chair.
- (c) A notice of meeting shall be sent to each member of the Committee prior to the date of the meeting.
- (d) Each notice of meeting shall aim to:
 - (i) set out the date, time and venue of the meeting; and
 - (ii) be accompanied by an agenda for the meeting and relevant supporting papers.
- (e) The directors of the Company who are not members of the Committee, the Chief Executive Officer, Chief Financial Officer, Company Secretary and other senior executives of the Company may be invited to Committee meetings at the discretion of the Committee.
- (f) Other suitably qualified persons may be invited to attend Committee meetings or be consulted by the Committee from time to time to render such specialist services as may be necessary to assist the Committee in its deliberations on any matter.
- (g) Minutes of the proceedings and resolutions of meetings of the Committee shall be distributed to all members of the Committee and the chair of the Board, after the Chair has given preliminary approval of those minutes.

4.3 Proceedings at meetings

- (a) Two (2) Committee members, one of which must be an independent non-executive director of the Company, present in person or via telecommunication facilities shall constitute a quorum for a Committee meeting.
- (b) Where the Chair is not present the other Committee members present at the meeting shall elect one of them, who must be an independent non-executive director of the Company, to chair that meeting.
- (c) A meeting of the Committee may be conducted by electronic communication and/or one or more members may participate in a meeting of the Committee by electronic communication so long as the electronic communication facility employed ordinarily enables all persons participating in that meeting to communicate concurrently with each other without an intermediary, and to participate effectively in the Committee meeting.
- (d) Each member of the Committee has one (1) vote on a matter before the Committee, and a majority of the votes cast on a proposed resolution is sufficient for a recommendation to be made to the Board in terms of that resolution.
- (e) In the case of a tied vote, the Chair may not cast a deciding vote in addition to their deliberative vote even if the matter being voted on fails.

- (f) A written resolution of members of the Committee shall be as valid and effectual as if it had been passed at a meeting of the Committee duly called and constituted, provided that each member of the Committee has received notice of the matter to be decided upon and that the majority of the members are in favour of the matter. A written resolution may be executed in any number of counterparts and will have the same effect as if the signatures on the counterparts were on a single copy of the written resolution.
- (g) No attendee who is not a member of the Committee shall have a vote at a meeting of the Committee, nor shall he or she form part of the quorum for the meeting.

5. RESOURCES AND INFORMATION

- (a) Where the Committee considers it necessary or appropriate to fulfil its responsibilities, the Committee will be entitled to:
